

# Organic lavender flowers

Originally from the Mediterranean basin, lavender was used by the Greeks to perfume thermal baths. The word "lavender" appeared in the Middle Ages and comes from the Latin "lavare" meaning to wash, evoking the antiseptic action of this plant.

## Our commitments

Lavender is grown in Dauphiné-Provence by our partner farmers under fair trade methods. The Authentic Provence certification guarantees Provençal origin.

OLFACTIVE NOTES : Lavender  
TASTING NOTES : Lavender

## Main features

USE	COUNTRY OF ORIGIN	CONSTITUTION
Food, Cosmetic	France	100% pure and natural
BOTANICAL NAME	PLANT PART USED	REGULATORY NOTICES
