

Organic thyme leaves

Thyme is a small shrub which grows in the hills of Provence. It has always been used as an herb but also as an antiseptic.

Our commitments

Thyme is grown in Dauphiné-Provence by our partner farmers under fair trade methods.

Formulation

A characteristic flavor, one of the basic ingredients of herbes de provence blends. In infusion, thyme is the remedy for all ills. The "aerial part" is also available for this product. We offer several cutting qualities for the plant.
