

Organic bergamot essential oil furocoumarins free

According to the legend, during a full moon night under a bergamot tree, we could find the birthplace of fairies. Bergamot is a small tree probably originating from Southeast Asia, and is currently cultivated in Italy for 90% of world production.

Our commitments

Furocoumarin test is systematically carried out on this essential oil.

OLFACTIVE NOTES : Citrus, floral fresh
TASTING NOTES : Citrus, bergamot
