

Organic fine lavender essential oil

Originally from the Mediterranean basin, lavender was used by the Greeks to perfume thermal baths. The word "lavender" appeared in the Middle Ages and comes from the Latin "lavare" meaning "to wash", evoking the antiseptic action of this plant.

Our commitments

This essential oil is produced from lavender from our partner farmers in France under fair trade methods.

OLFACTIVE NOTES : Agrestic, aromatic, floral
TASTING NOTES : Aromatic, lavender

Main features

USE

Food, Aromatherapy, Cosmetic, Perfumery

BOTANICAL NAME

Lavandula angustifolia miller
