

## Organic lemonbalm hydrosol

The Botanical name of lemon balm comes from the Greek "melissa": meaning bee. Used by the ancient Greeks, lemon balm was dedicated to Diana, goddess of hunting. For centuries, herborists have praised its ability to ward off melancholia. The alchemist Paracelsus had baptized it "the elixir of life". Some Carmelites even made it a famous water.

### Our commitments

Lemonbalm is grown in Dauphiné-Provence by our partner farmers under organic and fair trade methods.

OLFACTIVE NOTES : Aromatic, lemon

### Main features

USE	COUNTRY OF ORIGIN	CONSTITUTION
