

Organic lavender oil macerate

Native to the Mediterranean basin, lavender was used by the Greeks to perfume thermal baths. The word lavender appeared in the Middle Ages and comes from the Latin "lavare" meaning to wash, evoking the plant's antiseptic action.

Our commitments

An organic oily macerate produced by Elixens France using fair-trade lavender.

Main features

USE

Aromatherapy, Cosmetic

BOTANICAL NAME

Lavandula angustifolia

BOTANICAL FAMILY

Labiatae
