

Organic savory lemon hydrosol

Native to the Mediterranean basin, the lemon savory is little known but is very interesting. Indeed, this small and resistant perennial sub-shrub combines the anti-infectious virtues of carvacrol with the anti-inflammatory virtues of geraniol and nerol.

Our commitments

We cultivate organic lemon savory through our farmers' cooperative in Dauphiné-Provence in a fair trade labelled approach.

OLFACTIVE NOTES : Aromatic, fresh, citrus

Main features

USE	COUNTRY OF ORIGIN	CONSTITUTION
Aromatherapy, Cosmetic	France	100% pure and natural
