

Organic savory lemon hydrosol

Native to the Mediterranean basin, the lemon savory is little known but is very interesting. Indeed, this small and resistant perennial sub-shrub combines the anti-infectious virtues of carvacrol with the anti-inflammatory virtues of geraniol and nerol.

Our commitments

We cultivate organic lemon savory through our farmers' cooperative in Dauphiné-Provence in a fair trade labelled approach.

OLFACTIVE NOTES: Aromatic, fresh, citrus

Main features

USF Aromatherapy, Cosmetic

BOTANICAL NAME

Satureja montana var. citriodora

BOTANICAL FAMILY Lamiaceae INCI NAME

Satureja montana flower/leaf/steam

water CAS NUMBER 90106-57-3 **COUNTRY OF ORIGIN**

France

PLANT PART USED Flowering aerial top

BOOKING Mav **HARVEST**
