

Organic lavender flowers

Originally from the Mediterranean basin, lavender was used by the Greeks to perfume thermal baths. The word "lavender" appeared in the Middle Ages and comes from the Latin "lavare" meaning to wash, evoking the antiseptic action of this plant.

Our commitments

Lavender is grown in Dauphiné-Provence by our partner farmers under fair trade methods. The Authentic Provence certification guarantees Provençal origin.

OLFACTIVE NOTES : Lavender

TASTING NOTES : Lavender

Main features

USE

Food, Cosmetic
