

## Organic calendula floral water 5%

The common name of this orange bud comes from the Latin "solsequier" which means "which follows the sun". Indeed it opens and closes at sunrise and sunset. Known for its great soothing power, calendula or marigold is very popular in the Mediterranean region, as it has been used since the Middle Ages to relieve insect bites.

### Our commitments

Calendula is grown in Dauphiné-Provence by our partner farmers under fair trade and organic methods.

OLFACTIVE NOTES : Floral, sweet
