

# Clove bud madagascar essential oil

Clove culture originated in Indonesia. This spice has been used since 1500 BC in Ayurvedic medicine. The floral buds of clove trees are harvested from the fifth year of the tree and are called "nails" after being air-dried.

## Our commitments

This essential oil is sourced directly from the origin.

OLFACTIVE NOTES : Spicy, aromatic, woody  
TASTING NOTES : Spicy, medicinal, slightly balsamic

## Caractéristiques
