

Organic ginger essential oil

Originally from the South of India, ginger cultivation is an ancient and traditional culture in Sri Lanka. This plant is widely used in Chinese and Ayurvedic medicine. It takes 6 to 9 months for the rhizome to develop its full aroma.

Our commitments

Our Sri Lankan partner produces this organic essential oil, ensuring fair trade working conditions for local farmers.

OLFACTIVE NOTES : Spicy, zesty, woody

TASTING NOTES : Spicy, ginger, zest

Caractéristiques

USE

Food, Cosmetic, Perfumery

BOTANICAL NAME
