

Organic lavender officinalis essential oil

Originally from the Mediterranean basin, lavender was used by the Greeks to perfume thermal baths. The word "lavender" appeared in the Middle Ages and comes from the Latin "lavare" meaning "to wash", evoking the antiseptic action of this plant.

Our commitments

This hydrosol is produced from lavender from our partner farmers in France under fair trade methods.

OLFACTIVE NOTES : Agrestic, aromatic, floral
TASTING NOTES : Aromatic, lavender

Caractéristiques

USE

Food, Aromatherapy, Cosmetic, Perfumery
