

## Organic aloe vera powder

Aloe vera is a plant that has been known and used for thousands of years for its healing properties. Named "plant of immortality" by the ancient Egyptians, it is resistant for those who do not have a green thumb.

### Our commitments

The powder form considerably reduces the transport costs of aloe vera and ensures better preservation.

OLFACTIVE NOTES : Herbaceous

### Caractéristiques

#### USE

Cosmetic

#### BOTANICAL NAME

Aloe barbadensis

#### BOTANICAL FAMILY

Liliaceae

#### INCI NAME

Aloe barbadensis leaf juice powder

#### CAS NUMBER

85507-69-3 / 94349-62-9
